

Remarks

Claims 1 and 5, the independent claims, are hereby amended to include the feature that the higher resolution still image signal has at least four times the resolution of the video image signal, and to clearly distinguish the present invention over the prior art. Support for this amendment is found in the specification at page 5, line 26 of the application.

It is believed that the claims in the application are allowable over the prior art and such allowance is respectfully requested.

The Commissioner is hereby authorized to charge any fees in connection with this communication to Eastman Kodak Company Deposit Account No. 05-0225. *A duplicate copy of this communication is enclosed.*

Respectfully submitted,
